Dear Sir/Madam,

It is with great pleasure I invite you to join us in London this November, for the Tajikistan Investment & Development Forum 2021.

This forum has been designed to showcase opportunities in key growth areas of the Tajikistan economy focusing predominantly on the Mining, Green Energy, Transport, Infrastructure and Agriculture sectors. Bringing senior Tajiki Government decision makers over to London, to outline the country's present and future needs in building a strong forward-looking nation.

In this year, celebrating 30 years of independence, the forum will bring together those international enterprises already working in the country with new enterprises looking to grow relationships. Detailed and updated presentations from Government officials allow you to learn first-hand information on investment opportunities for large companies and service providers.

We look forward to meeting you in London.

Kind Regards,

**Mr. Masud Khalifazoda**  
Ambassador of Tajikistan
